A PROCLAMATION.

GEORGE, R. I.

WHEREAS we are happily at Peace with all Sovereigns, Powers, and States:

And whereas a State of War unhappily exists between His Majesty the King of Italy and His Imperial Majesty the Sultan of Turkey, and between their respective Subjects, and others inhabiting within their Countries, Territories or Dominions:

And whereas We are on Terms of Friendship and amicable intercourse with each of these Powers, and with their several Subjects, and others inhabiting within their Countries, Territories, or Dominions:

And whereas Great Numbers of our Loyal Subjects reside and carry on Commerce, and possess Property and Establishments, and enjoy various Rights and Privileges, within the Dominions of each of the aforesaid Powers, protected by the Faith of Treaties between Us and each of the aforesaid Powers:

And whereas We, being desirous of preserving to Our subjects the Blessings of Peace, which they now happily enjoy, are firmly purposed and determined to maintain a strict and impartial Neutrality in the said State of War unhappily existing between the aforesaid Powers:

We, therefore, have thought fit, by and with the advice of Our Privy Council, to issue this Our Royal Proclamation:

And We do hereby strictly charge and command all Our loving Subjects to govern themselves accordingly, and to observe a strict neutrality in and during the aforesaid War, and to abstain from violating or contravening either the Laws or Statutes of the Realm in this behalf, or the Law of Nations in relation thereto, as they will answer to the contrary at their peril:

And whereas in and by a certain Statute made and passed in a Session of Parliament holden in the 33rd and 34th year of the reign of Her late Majesty Queen Victoria, intitled "An Act to Regulate the conduct of Her Majesty's Subjects during the existence of Hostilities between Foreign States with which Her Majesty is at Peace," it is, among other things, declared and enacted as follows:—

"This Act shall extend to all the Dominions of Her Majesty, including the adjacent territorial Waters.

"Illegal Enlistment."

"If any Person, without the License of Her Majesty, being a British Subject, within or without Her Majesty's Dominions, accepts or agrees to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with any Foreign State at Peace with Her Majesty, and in this Act referred to as a friendly State, or whether a British Subject or not, within Her Majesty's Dominions, induces any other Person to accept or agree to accept any Commission or Engagement in the Military or Naval Service of any such Foreign State as aforesaid,—

"He shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"If any Person without the License of Her Majesty, being a British Subject, quits or goes on board any Ship with a view of quitting Her Majesty's Dominions, with intent to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with a friendly State, or, whether a British Subject or not, within Her Majesty's Dominions, induces any other Person to quit or to go on board any Ship with a view of quitting Her Majesty's Dominions with the like intent,—

"He shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"If any Person induces any other Person to quit Her Majesty's Dominions or to embark on any Ship within Her Majesty's Dominions under a Misrepresentation or false Representation of the Service in which such Person is to be engaged, with the intent or in order that such Person may accept or agree to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with a friendly State,—

"He shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be with or without Hard Labour.

"If the Master or Owner of any ship, without the License of Her Majesty, knowingly, either takes on board, or engages to take on board, or has on board such Ship within Her Majesty's Dominions any of the following Persons, in this Act referred to as illegally enlisted Persons, that is to say,—

"(2.) Any Person, being a British Subject, who, without the License of Her Majesty, is about to quit Her Majesty's Dominions with intent to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with a friendly State:

"(3.) Any person who has been induced to embark under a Misrepresentation or false Representation of the service in which such Person is to be engaged, with the intent or in order that such Person may accept or agree to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with a friendly State:

"Such Master or Owner shall be guilty of an Offence against this Act, and the following Consequences shall ensue; that is to say,—

"(1.) The Offender shall be punishable by Fine and Imprisonment, or either of such punishments at the Discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour; and

"(2.) Such Ship shall be detained until the Trial and Conviction or Acquittal of the Master or Owner and until all Penalties inflicted on the Master or Owner have been paid, or the Master or Owner has given Security for the Payment of such Penalties to the Satisfaction of Two Justices of the Peace, or other Magistrate or Magistrates having the Authority of Two Justices of the Peace; and

"(3.) All illegally enlisted Persons shall immediately on the Discovery of the Offence be taken on Shore, and shall not be allowed to return to the Ship.

Illegal Shipbuilding and Illegal Expeditions.

"If any Person within Her Majesty's Dominions, without the License of Her Majesty, does any of the following Acts; that is to say,—

"(1.) Builds or agrees to build, or causes to be built any Ship with intent or knowledge, or having reasonable cause to believe that the same shall or will be employed in the Military or Naval Service of any Foreign State at War with any friendly State; or

"(2.) Issues or delivers any Commission or any Ship with intent or knowledge, or having reasonable cause to believe that the same shall or will be employed in the Military or Naval Service of any Foreign State at War with any friendly State; or

"(3.) Equips any Ship with intent or knowledge, or having reasonable cause to believe that the same shall or will be employed in the Military or Naval Service of any Foreign State at War with any friendly State; or

"(4.) Despatches, or causes or allows to be despatched any Ship with intent or knowledge, or having reasonable cause to believe that the same shall or will be employed in the Military or Naval Service of any Foreign State at War with any friendly State:

"Such person shall be deemed to have committed an Offence against this Act, and the following Consequences shall ensue:—

"(1.) The Offender shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour:

"(2.) The Ship in respect of which any such Offence is committed, and her Equipment, shall be forfeited to Her Majesty:

"Provided that a Person building, causing to be built, or equipping a Ship in any of the cases aforesaid, in pursuance of a contract made before the commencement of such War as aforesaid, shall not be liable to any of the Penalties imposed by this Section in respect of such building or equipping if he satisfies the conditions following; (that is to say),—

"(1.) If forthwith upon a Proclamation of Neutrality being issued by Her Majesty he gives Notice to the Secretary of State that he is so building, causing to be built, or equipping

such Ship, and furnishes such Particulars of the Contract and of any matters relating to, or done, or to be done under the Contract as may be required by the Secretary of State:

"(2.) If he gives such security, and takes and permits to be taken such other measures, if any, as the Secretary of State may prescribe for ensuring that such Ship shall not be despatched, delivered, or removed without the License of Her Majesty until the termination of such War as aforesaid:

"Where any Ship is built by order of or on behalf of any Foreign State when at War with a friendly State, or is delivered to or to the order of such Foreign State, or any person who to the Knowledge of the Person building is an Agent of such Foreign State, or is paid for by such Foreign State or such Agent, and is employed in the Military or Naval Service of such Foreign State, such Ship shall, until the contrary is proved, be deemed to have been built with a view to being so employed, and the Burden shall lie on the Builder of such Ship of proving that he did not know that the Ship was intended to be so employed in the Military or Naval Service of such Foreign State.

"If any Person within the Dominions of Her Majesty, and without the License of Her Majesty,—

"By adding to the number of the Guns, or by changing those on board for other Guns, or by the addition of any Equipment for War, increases or augments or procures to be increased or augmented, or is knowingly concerned in increasing or augmenting the warlike Force of any Ship which at the time of her being within the Dominions of Her Majesty was a Ship in the Military or Naval Service of any Foreign State at War with any friendly State,—

"Such Person shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the Discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"If any Person within the limits of Her Majesty's Dominions, and without the License of Her Majesty,—

"Prepares or fits out any Naval or Military Expedition to proceed against the Dominions of any friendly State, the following consequences shall ensue:—

"(1.) Every person engaged in such preparation or fitting out, or assisting therein, or employed in any capacity in such Expedition, shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the Discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour:

"(2.) All Ships, and their Equipments, and all Arms and Munitions of War, used in or forming part of such Expedition, shall be forfeited to Her Majesty.

"Any person who aids, abets, counsels, or procures the Commission of any Offence against this Act shall be liable to be tried and punished as a principal Offender."

And whereas by the said Act it is further provided that Ships built, commissioned, equipped or despatched in contravention of the said Act, may be condemned and forfeited by Judgment of the Court of Admiralty; and that if the Secretary of State or Chief Executive Authority is satisfied that there is a reasonable and probable cause for believing that a Ship within Our Dominions has been or is being built, commissioned, or equipped, contrary to the said Act, and is about to be taken beyond the limits of such Dominions, or that a Ship is about to be despatched contrary to the Act, such Secretary of State or Chief Executive Authority shall have power to issue a warrant authorizing the seizure and search of such Ship and her detention until she has been either condemned or released by Process of Law; and whereas certain powers of seizure and detention are conferred by the said Act on certain Local Authorities:

Now, in order that none of Our Subjects may unwarily render themselves liable to the Penalties imposed by the said Statute, We do hereby strictly command that no Person or Persons whatsoever do commit any Act, Matter, or Thing whatsoever contrary to the Provisions of the said Statute, upon pain of the several Penalties by the said Statute imposed and of Our high Displeasure.

And We do hereby further warn and admonish all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, to observe towards each of the aforesaid Powers, their Subjects, and Territories, and towards all Belligerents whatsoever with whom We are at Peace, the Duties of Neutrality; and to respect, in all and each of them, the Exercise of Belligerent Rights.

And We hereby further warn all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, that if any of them shall presume, in contempt of this Our Royal Proclamation, to do any acts in derogation of their Duty as Subjects of a Neutral Power in a War between other Powers, or in violation or contravention of the Law of Nations in that behalf, all Persons so offending will rightfully incur and be justly liable to the Penalties denounced by such Law.

And We do hereby give Notice that all Our Subjects and Persons entitled to Our Protection who may misconduct themselves in the Premises will do so at their peril, and of their own wrong; and that they will in no wise obtain any Protection from Us against such Penalties as aforesaid.

Given at Our Court at *Balmoral*, this third day of October, in the year of Our Lord, one thousand nine hundred and eleven, and in the Second year of Our reign.

GOD SAVE THE KING.

THE Right Honourable Sir Edward Grey to the Lords Commissioners of the Admiralty*:
FOREIGN OFFICE,
October 3, 1911.

MY LORDS,—

His Majesty being fully determined to observe the duties of neutrality during the existing state of war between Italy and Turkey; being, moreover, resolved to prevent, as far as possible, the use of His Majesty's harbours, ports, and coasts, and the waters within His Majesty's territorial jurisdiction, in aid of the warlike purposes of either belligerent, has commanded me to communicate to your Lordships, for your guidance, the following Rules, which are to be treated and enforced as His Majesty's orders and directions:—

Rule 1. During the continuance of the present state of war, all ships of war of either belligerent are prohibited from making use of any port or roadstead in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of His Majesty's Colonies or foreign possessions or dependencies, or of any waters subject to the territorial jurisdiction of the British Crown, as a station or place of resort for any warlike purpose, or for the purpose of obtaining any facilities for warlike equipment; and no ship of war of either belligerent shall hereafter be permitted to leave any such port, roadstead, or waters from which any vessel of the other belligerent (whether the same shall be a ship of war or a merchant ship) shall have previously departed until after the expiration of at least twenty-four hours from the departure of such last-mentioned vessel beyond the territorial jurisdiction of His Majesty.

Rule 2. If there is now in any such port, roadstead, or waters subject to the territorial jurisdiction of the British Crown any ship of war of either belligerent, such ship of war shall leave such port, roadstead, or waters within such time not less than twenty-four hours as shall be reasonable, having regard to all the circumstances and the condition of such ship as to repairs, provisions, or things necessary for the subsistence of her crew; and if after the date hereof any ship of war of either belligerent shall enter any such port, roadstead, or waters, subject to the territorial jurisdiction of the British Crown, such ship shall depart and put to sea within twenty-four hours after her entrance into any such port, roadstead, or waters, except in

case of stress of weather, or of her requiring provisions or things necessary for the subsistence of her crew, or repairs; in either of which cases the authorities of the port, or of the nearest port (as the case may be), shall require her to put to sea as soon as possible after the expiration of such period of twenty-four hours, without permitting her to take in supplies beyond what may be necessary for her immediate use; and no such vessel which may have been allowed to remain within British waters for the purpose of repair shall continue in any such port, roadstead, or waters, for a longer period than twenty-four hours after her necessary repairs shall have been completed: Provided, nevertheless, that in all cases in which there shall be any vessels (whether ships of war or merchant ships) of both the said belligerent parties in the same port, roadstead, or waters within the territorial jurisdiction of His Majesty, there shall be an interval of not less than twenty-four hours between the departure therefrom of any such vessel (whether a ship of war or merchant ship) of the one belligerent, and the subsequent departure therefrom of any ship of war of the other belligerent; and the time hereby limited for the departure of such ships of war respectively shall always, in case of necessity, be extended so far as may be requisite for giving effect to this proviso, but no further or otherwise.

Rule 3. No ship of war of either belligerent shall hereafter be permitted, while in any such port, roadstead, or waters subject to the territorial jurisdiction of His Majesty, to take in any supplies, except provisions and such other things as may be requisite for the subsistence of her crew, and except so much coal only as may be sufficient to carry such vessel to the nearest port of her own country, or to some nearer named neutral destination, and no coal shall again be supplied to any such ship of war in the same or any other port, roadstead, or waters subject to the territorial jurisdiction of His Majesty, without special permission, until after the expiration of three months from the time when such coal may have been last supplied to her within British waters as aforesaid.

Rule 4. Armed ships of either belligerent are interdicted from carrying prizes made by them into the ports, harbours, roadsteads, or waters of the United Kingdom, the Isle of Man, the Channel Islands, or any of His Majesty's Colonies or possessions abroad.

The Governor or other chief authority of each of His Majesty's territories or possessions beyond the seas shall forthwith notify and publish the above Rules.

I have, etc.,

E. GREY.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

COAL-MINING REGULATIONS.

Regulations for the disposal of coal-mining rights which are the property of the Crown in the Provinces of Manitoba, Saskatchewan, and Alberta, the Yukon Territory, the North-west Territories, the Railway Belt in the Province of British Columbia, and within the tract containing three and a half (3½) million acres acquired by the Dominion Government from the Province of British Columbia, and referred to in subsection (b) of section 3 of the "Dominion Lands Act."

"Minister" shall mean the Minister of the Interior:

"Surveyed land," for the purpose of these regulations, shall mean a section or a part of a section one of the boundaries of which has been defined by a surveyed line, and one of the corners of which has been marked on the ground by a survey post or mound, and the official plan of which, showing such survey or marking, has been approved by the Surveyor-General:

"Coal-mining location" shall mean a tract of land containing coal, located or staked in accordance with these regulations:

"Locator" shall mean the person who locates or stakes a coal-mining location, in the manner prescribed in these regulations:

"Year" shall mean a period of twelve consecutive calendar months.

1. The coal-mining rights, which are the property of the Crown in the Provinces of Manitoba, Saskatchewan, and Alberta, the Yukon Territory, the North-west Territories, the Railway Belt in the Provinces of British Columbia, and within the tract containing three and a half million acres of land acquired by the Dominion Government from the Province of British Columbia, and referred to in subsection (b) of section 3 of the "Dominion Lands Act," may be leased by the Minister at an annual rental of \$1 per acre, payable yearly in advance:

Provided, however, that these regulations shall not apply to school lands, or to any land comprised within the Rocky Mountains Park of Canada, or within Dominion Forest Reserves, or to land within the Jasper Forest Park of Canada, or other reserves made by Parliament, or by Order of the Governor in Council, or to land within any incorporated city, town, or village, unless otherwise specially provided by the Governor in Council.

The term of the lease shall be twenty one years, renewable for a further term of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to show that during the term of the lease he has complied fully with the conditions of such lease, and with the provisions of the regulations regarding the disposal and operation of coal-mining rights which may have been made from time to time by the Governor in Council.

2. The maximum area of a coal-mining location shall be 2560 acres, and no person shall be allowed to locate more than one location:

Provided that a person who has been granted a lease for a location and who subsequently abandons or assigns the same may, after the expiration of twelve months from the date of the said lease, be permitted to secure another location:

Provided further, however, that such rights of relocation shall not be granted unless all payments on account of rent, royalty, or other liability to the Department due by such person, have been fully made, up to the date of the registration by the Department of the assignment of his right to such lease, or up to the date upon which the notice of his abandonment of the same was received by the Department.

3. The location applied for, if it comprises surveyed land, shall consist of sections or legal subdivisions of sections, but the several parcels comprising the location must adjoin, and the whole area applied for shall not exceed four miles in its greatest dimension, nor shall the length exceed four times the breadth.

4. Applications for a coal-mining location, comprising surveyed land, shall be filed by the locator in person with the Agent of Dominion Lands for the district in which the location is situated, or with a Sub-Agent for such district for transmission to the Agent, but priority of application shall be based upon the date of the receipt of such application in the office of the Agent of Dominion Lands for the district, which shall be the office of record for all applications for coal-mining locations. The application shall contain a full description by section, part of section, township, and range of the land applied for.

5. Application for a coal-mining location, situated in unsurveyed territory, shall be filed by the locator in person with the Agent of Dominion Lands for the district in which the location is situated, or with a Sub-Agent for such district for transmission to the Agent, within thirty days from the date upon which the location applied for was staked in accordance with section 6 of these regulations. If, however, the location is distant more than one hundred miles from the office of the Agent or Sub-Agent, the locator shall be allowed one additional day for each ten miles or fraction thereof in excess of one hundred miles. If the application is not filed within the time prescribed, it shall not be considered.

6. Application for a location situated in unsurveyed territory shall contain a description by metes and bounds of the location applied for, and shall be accompanied by a plan showing the position of such location in its relation to some prominent topographical feature or other known point. The plan shall contain sufficient data to admit of the position of the location applied for being definitely shown in the records of the Department. The location must be rectangular in form, except where a boundary of a previously located tract is adopted as common to both locations, the length not to exceed four times the breadth.

The application shall be accompanied by evidence, supported by affidavit of the locator, to show that the following requirements have been fully complied with:—

- (a.) That the location applied for has been defined on the ground by the locator in person by planting two wooden posts, at least four inches square and standing not less than four feet above the ground, such posts being numbered "1" and "2" respectively. The distance between post No. "1" and post No. "2" shall not exceed 21120 feet, and upon each post shall be inscribed the name of the locator and the date of the location. Upon post No. "1" there shall be written, in addition to the foregoing, the words "initial post," the approximate compass bearing of post No. "2," and a statement of the number of feet lying to the right and to the left of the line between post No. "1" and post No. "2." Thus: (Initial post, direction of post No. "2" is feet lie to the right and feet to the left of the line between post No. "1" and post No. "2.")

When the tract which an applicant desires to lease has been located, he shall immediately mark the line between post No. "1" and post No. "2" so that it can be distinctly seen, in a timbered locality by blazing trees and cutting underbrush, and in a locality where there is neither timber nor underbrush he shall set posts of the

above dimensions or erect mounds of earth or rock not less than two feet high and two feet in diameter at the base in such a manner that the line may be distinctly seen:

- (b.) All the particulars required to be inscribed on posts No. "1" and No. "2" shall be set out in the application and shall be accompanied by a plan showing the position of the tract in its relation to some prominent topographical feature or other known point, such plan to contain sufficient data to admit of the location being shown definitely on the record of the Department:
- (c.) The locator shall post a written or printed notice on a conspicuous part of the location applied for, setting out his intention to apply, within thirty days from the date of such notice, for a lease of the coal-mining rights under the said location:
- (d.) The application shall be accompanied by evidence, supported by the affidavit of the locator in due form, to show that the above requirements of the regulations have been fully complied with.

(For purposes of illustration, the following diagrams are given to show the manner in which coal-mining locations may be laid out in unsurveyed territory.)

7. Where two or more persons lay claim to the same location, or to portions of the same locations, the right to acquire a lease shall be in him who can prove to the satisfaction of the Minister that he was the first to take possession of the tract in dispute by demarcation in the manner prescribed in these regulations, and that he made application for a lease thereof within the specified time.

8. As soon as the survey of a township has been confirmed, all coal-mining leaseholds embracing any portion of such township so surveyed and confirmed shall, if the Minister so directs, be made to conform to the Dominion lands system of survey by the substitution of a new lease describing by sections, legal subdivisions of sections, or regular portions of legal subdivisions, as nearly as may be, the tract embraced in the leasehold in so far as the township so surveyed is concerned.

The balance of the leasehold, which may still be in unsurveyed territory, shall continue to be described as in the lease originally issued until such portion is included in a confirmed survey.

9. As soon as the survey of a township has been confirmed, all coal-mining leaseholds, embracing any portion of the township so surveyed and confirmed, shall be subject to the withdrawal forthwith from the lease, without compensation to the lessees, of any portions which, in accordance with such confirmed survey, are found to be the property of the Hudson's Bay Company:

Provided, however, that upon such withdrawal being made from any location in good standing, the rental paid on the land so withdrawn in whole or in part may, in the discretion of the Minister, be refunded to the lessee.

10. The lessee shall commence active operations on his leasehold within one year from the date upon which he may be notified by the proper officer of the Department of the Interior to do so, and shall produce from such operations the quantity of coal specified in the said notification. Such notification shall not be given until the expiration of at least one year from the date of the lease, and shall set out the quantity of coal which the lessee is required to mine and produce at the pit's mouth ready for shipment, which quantity, however, may be increased from time to time, upon thirty days' notice to that effect being given to the lessee; but in no case shall the maximum quantity required to be mined exceed ten tons per annum for each acre leased. In case operations are not commenced within the time specified in the notice, or if the required quantity of coal is not mined during each year, the lease shall be subject to cancellation in the discretion of the Minister.

11. The lessee shall not assign, transfer, or sublet the rights described in his lease or any part thereof without the consent in writing of the Minister being first had and obtained.

12. The boundaries beneath the surface of coal-mining locations shall be the vertical planes or lines in which their surface boundaries lie.

13. All leases of coal mining rights issued under these regulations shall be subject to the provision that actual settlers shall be entitled to buy at the pit's mouth whatever coal they may require for their own use, but not for barter or sale, at a price not to exceed \$1.75 per ton, and the lease issued for coal rights shall be made subject to such provision.

14. The lease shall be in such form as may be determined by the Minister of the Interior, in accordance with the provisions of these regulations.

15. A fee of \$5 shall accompany each application for a lease, which will be refunded if the rights applied for are not available, but not otherwise.

16. If the application is granted, the locator shall be notified in writing and he shall be given a period of thirty days from the date of the receipt of his application within which to pay to the Agent of Dominion Lands the full amount of the rental for the first year of the term of the lease, at the rate of one dollar (\$1) per acre, and upon the receipt of such rental the lease shall be issued and shall bear date from the day upon which the application was granted. If the rental is not paid within the time specified, the application shall absolutely lapse and the rights applied for shall become available for other disposition.

17. If during the term of the lease the lessee shall fail to pay the rental in advance for each subsequent year, at the rate of one dollar (\$1) an acre per annum, within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister and to the immediate forfeiture of all the rights granted thereunder.

18. If the location is situated in surveyed territory, and the surface rights thereof have been patented or have been disposed of by the Crown under any Act or regulation which contemplates the issue of patent, or if the surface rights have been disposed of temporarily under a terminable grant the Minister may, in consideration of the expenditure to be incurred by the locator on the tract leased in prospecting operations, and upon application to that effect in the proper form being filed with the Agent or Sub-Agent of the district in which the location is situated, waive the payment of the rental for the first and second years of the term of the lease, subject to the following conditions:—

(a.) Each such application shall be accompanied by a fee of one hundred dollars (\$100), which amount will be deducted from the expenditure which the locator shall be required to incur in prospecting operations on his leasehold during the first year of the term of his lease. Such fee shall be refunded to the locator if the application is not granted:

(b.) Subject to the deduction of the one hundred dollar fee, as provided in the foregoing subsection (a), the locator shall expend in actual prospecting operations upon his leasehold, by recognized methods, during each of the first and second years of the term of his lease, the sum of not less than one dollar (\$1) for each acre of the total area of his location, and shall, prior to the termination of each of the said two years, submit evidence satisfactory to the Agent, supported by affidavit, to show that he has incurred the required expenditure in actual prospecting operations, by recognized methods, on the tract covered by his location. If the lessee fails to submit such evidence in the manner prescribed, the lease shall be subject to cancellation in the discretion of the Minister and to the immediate forfeiture of all rights granted thereunder.

19. In addition to the rent, a royalty at the rate of five cents per ton of two thousand pounds, shall be levied and collected on the merchantable output of the mine, and such royalty shall be payable monthly to the Agent from the date upon which operations may be commenced. The person operating a mine shall furnish the Agent of Dominion Lands with sworn returns monthly, or at such times as the Minister of the Interior may direct, accounting for the full quantity of merchantable coal mined.

20. Every lessee of coal-mining rights which are not being operated shall furnish the Agent of Dominion Lands with a sworn statement to that effect at least once in each year.

21. Default in payment of the royalty or in furnishing the returns, if continued for thirty days after notice has been posted at the mine or conspicuously on the property in respect of which it is demanded by the Agent of Dominion Lands or by his direction, may be followed by cancellation of the lease or the imposition of a fine, in the discretion of the Minister of the Interior.

22. Any attempt to defraud the Crown by withholding any part of the revenue thus provided for, by making false statements of the amount taken out may, in the discretion of the Minister, be punished by fine or by the cancellation of the lease in respect of which fraud or false statement has been committed or made. In respect to the facts as to such fraud or false statement or non-payment of royalty or failure to furnish returns, the decision of the Minister of the Interior shall be final.

23. An Agent of the Dominion Lands, or any other officer or person so designated by the Minister, shall have the right to enter upon any land comprised within a coal-mining location, or the workings therein; to examine all records and books of account of the lessee or operator of such mining location; and to make such other examination as may be deemed necessary in order to ascertain whether or not the terms of the lease for such location are being duly complied with.

24. The lease shall include the coal-mining rights only, but the lessee may, upon application, be permitted to purchase at the rate of \$10 an acre whatever area of the available surface rights thereof the Minister may consider necessary for the efficient and economical working of the coal-mining rights granted under such lease.

25. In case the surface rights of a coal-mining location are covered by a timber licence, grazing, or petroleum lease, mining claim, or other form of terminable grant which does not contemplate the issue of patent, the lease shall not authorize entry thereon, except the permission of the Minister is first had and obtained; and such permission shall be given subject to such conditions for the protection of the rights of such lessee or licensee as it may be considered necessary to impose.

26. In case the surface rights of a coal-mining location have been patented, or have been disposed of by the Crown under any Act or regulation which contemplates the earning of patent for such surface rights, and the lessee of the coal-mining rights cannot make an arrangement with the owner of the surface rights, or his agent, or the occupant thereof, for entry upon the location or for the

acquisition of such portion of the surface rights as may be necessary for the efficient and economical operation of the rights acquired under his lease, he may, provided the mineral rights in the land affected with access thereto and the right to use and occupy such portion of the said land as may be necessary for the effectual working of the minerals therein have been reserved to the Crown in the original grant of the surface rights, apply to the Minister for permission to submit the matter in dispute to arbitration. Upon receiving such permission in writing it shall be lawful for the lessee to give notice to the owner, or his agent, or the occupant, to appoint an arbitrator within a period of sixty days from the date of such notice, to act with another arbitrator named by the lessee, in order to determine what portion of the surface rights the lessee may reasonably acquire:

- (a.) For the efficient and economical operation of the rights and privileges granted him under his lease:
- (b.) The exact position thereof; and
- (c.) The amount of compensation to which the owner or occupant shall be entitled.

The notice mentioned in this section shall be according to a form to be obtained upon application to the Agent of the Dominion Lands for the district in which the land in question is situated, and shall, when practicable, be personally served on the owner of such land or his agent, if known, or the occupant thereof, and after reasonable efforts have been made to effect personal service without success, then such notice shall be served by leaving it at or sending it by registered mail to the last-known place of abode of the owner, agent, or occupant, and by posting a copy of the same in the office of the Agent of Dominion Lands for the district in which the land in question is situated. Such notice shall be served if the owner, or his agent, resides in the district in which the land is situated, ten days; if out of the district and if in the province or territory, twenty days; and if out of the province or territory, thirty days before the expiration of the time limited in such notice. If the owner, or his agent, or the occupant of the land, refuses or declines to appoint an arbitrator, or when for any reason no arbitrator is so appointed in the time limited therefor in the notice provided for by this section, the Agent of Dominion Lands for the district in which the land in question is situated shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of such owner, agent, or occupant, or that such owner, agent, or occupant wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service, and that the notice was left at the last place of abode of such owner, agent, or occupant, as above provided, appoint an arbitrator on his behalf.

27. In case the two arbitrators cannot agree upon the award to be made they may, within a period of ten days from the date of the appointment of the second arbitrator, select a third arbitrator, and when such two arbitrators cannot agree upon a third arbitrator, the Agent of Dominion Lands for the district in which the land in question is situated, shall forthwith select such third arbitrator.

28. All the arbitrators appointed under the authority of these regulations shall be sworn before a Justice of the Peace to the impartial discharge of the duties assigned to them, and after due consideration of the rights of the owner and the needs of the lessee, they shall decide as to the particular portion of the surface rights which the latter may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the area thereof, and the amount of compensation therefor to which the owner or occupant shall be entitled.

29. In making such valuation the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals thereunder.

30. The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the land is situated within twenty days from the

date of the appointment of the last arbitrator. Upon the order of the Minister the award of the arbitrators shall immediately be carried into effect.

31. The arbitrators shall be entitled to be paid a per diem allowance of \$5, together with their necessary travelling and living expenses, while engaged in the arbitration, and the costs of such arbitration shall be borne by the lessee. oc12

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 16th day of August, 1911.

PRESENT:

HIS EXCELLENCY IN COUNCIL.

HIS Excellency in Council is pleased to order that, under the provisions of subsection (b) of section 3, section 38, and subsection (k) of section 76 of the "Dominion Lands Act," the following regulations for the leasing and administration of lands containing limestone, granite, slate, marble, gypsum, marl, gravel, sand, or any building stone, in the Provinces of Manitoba, Saskatchewan, and Alberta, the North-west Territories, within twenty miles on either side of the main line of the Canadian Pacific Railway in the Province of British Columbia, and in the tract of three and a half million acres acquired by the Government of the Dominion from the Province of British Columbia and referred to in subsection (b) of section 3 of the "Dominion Lands Act," approved by Order in Council of the 13th day of May, 1910, shall be and the same are hereby re-established, the same to have force and effect from the 29th day of July, 1911.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Regulations for the leasing and administration of lands containing limestone, granite, slate, marble, gypsum, marl, gravel, sand, or any building stone, in the Provinces of Manitoba, Saskatchewan, and Alberta, the North-west Territories, within twenty miles on either side of the main line of the Canadian Pacific Railway in the Province of British Columbia, and in the tract of three and a half (3½) million acres of land acquired by the Dominion Government from the Province of British Columbia, and referred to in subsection (b) of section 3 of the "Dominion Lands Act."

"Minister" shall mean the Minister of the Interior:

"Quarrying location" shall mean a tract of Dominion land containing limestone, granite, slate, marble, gypsum, marl, gravel, sand, or any building stone:

"Locator" shall mean the person who locates or stakes a quarrying location in the manner prescribed in these regulations:

"Year" shall mean a period of twelve calendar months:

"Surveyed land," for the purposes of these regulations, shall mean any section or part of a section, or other parcel of land of an area not greater than one section, of which at least three of the boundaries have been defined by actual survey on the ground and all the corners of which have been posted and the plan of which has been approved by the Surveyor-General; and shall also mean any legal subdivision or part of a legal subdivision, one of the boundaries of which has been surveyed and posted on the ground and the plan of which survey has been approved by the Surveyor-General.

1. Dominion lands containing limestone, granite, slate, marble, gypsum, marl, gravel, sand, or any building stone, in the Provinces of Manitoba, Saskatchewan, and Alberta, the North-west Territories, within twenty miles on either side of the main line of the Canadian Pacific Railway in the Province of British Columbia, and in the tract of three and a half million acres acquired by the Government of the Dominion from the Province of British Columbia and referred to in subsection (b) of section 3 of the "Dominion Lands Act," may be leased by the Minister at an annual rental of one dollar (\$1) an acre, payable yearly in

advance, for the purpose of quarrying out and removing therefrom stone or other material mentioned herein:

Provided that no lease for a quarrying location shall convey any right to salt, coal, petroleum, natural gas, gold, silver, copper, iron, or other minerals within or under the land covered by the lease, or any exclusive right or other property or interest in, or any exclusive right or privilege with respect to any lake, river, spring, stream, or other body of water within or bordering on or passing through the land covered by the lease:

And provided further that these regulations shall not apply to school lands, or to any land comprised within the Rocky Mountains Park of Canada, or within Dominion Forest Reserves, or to land within the Jasper Forest Park of Canada, or other reserves made by Parliament or by Order of the Governor in Council, or to land within an incorporated city, town, or village, unless otherwise specially provided by the Governor in Council.

2. The term of the lease shall be twenty-one years, renewable for a further period of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to show that during the term of the lease he has complied fully with the conditions of such lease, and with the provisions of the regulations regarding the disposal and operation of quarrying locations, which may have been made from time to time by the Governor in Council.

3. The maximum area of a quarrying location shall be forty acres, more or less, and no person shall be allowed to locate more than one location:

Provided that a person who has been granted a lease for a location, and who subsequently abandons or assigns the same may, after the expiration of twelve months from the date of the said lease, be permitted to make another location:

Provided further, however, that such right of relocation shall not be granted unless all payments on account of rent or other liability to the Department, due by such person, have been fully made up to the date of registration by the Department of the assignment of his right to such lease, or up to the date upon which the notice of his abandonment of the same was received by the Department.

4. The location applied for, if it comprises surveyed land, shall consist of a legal subdivision or part of a legal subdivision:

Provided that parts of two adjoining legal subdivisions may be included in a quarrying location, but the whole area shall not exceed half a mile in its greatest dimension, nor shall the length exceed twice the breadth.

5. Application for a location comprising surveyed land shall be filed by the locator in person with the Agent of Dominion Lands for the district in which the location is situated. The application shall contain a full description by legal subdivision, or part of legal subdivision, section, township, and range of the land applied for, and shall be accompanied by a declaration from the locator to the effect that the land comprised within the location contains in merchantable quantities the material of the class applied for by the locator.

6. Application for a quarrying location situated in unsurveyed territory shall be filed by the locator in person with the Agent of Dominion Lands for the district in which the location is situated, within thirty days from the date upon which the location applied for was staked in accordance with section 7 of these regulations. If, however, the location is situated more than a hundred miles from the office of the Agent of Dominion Lands, the locator shall be allowed one additional day for each ten miles or fraction thereof in excess of one hundred miles. If the application is not filed within the time prescribed, it shall not be considered.

7. Application for a stone quarrying location, situated in unsurveyed territory, shall contain a description by metes and bounds of the location applied for, and shall be accompanied by a plan showing the position of such location in its relation to some prominent topographical feature or other known point. The plan shall contain sufficient data to admit of the position of the location applied for being definitely shown in the records

of the Department. The maximum area of the location shall be forty acres, and it shall not exceed half a mile in its greatest dimensions, nor shall the length exceed twice the breadth. The location shall be rectangular in form, except where a boundary of a previously located tract is adopted as common to both locations.

The application shall be accompanied by evidence, supported by affidavit of the locator, to show that the following requirements have been fully complied with:—

(a.) That the location contains, in merchantable quantities, material of the class applied for by the locator:

(b.) That the location has been defined on the ground by the locator in person by planting two wooden posts, at least four inches square and standing not less than four feet above the ground, such posts being numbered "1" and "2" respectively. The distance between post No. "1" and post No. "2" shall not exceed 2640 feet, and upon each post shall be inscribed the name of the locator, the class of material which the land contains, and the date of the location. Upon post No. "1" there shall be written, in addition to the foregoing, the words "Initial post," the approximate compass bearing of post No. "2," and a statement of the number of feet lying to the right and to the left of the line between post No. "1" and post No. "2." Thus: (Initial post; direction of post No. "2" is feet to the right and feet to the left of the line between post No. "1" and post No. "2.")

When the tract which an applicant desires to lease has been located he shall immediately mark the line between post No. "1" and post No. "2" so that it can be distinctly seen, in a timbered locality by blazing trees and cutting underbrush, and in a locality where there is neither timber nor underbrush he shall set posts of the above dimensions or erect mounds of earth or rock not less than two feet high and two feet in diameter at the base in such a manner that the line may be distinctly seen.

(c.) All the particulars required to be inscribed on posts No. "1" and No. "2" shall be set out in the application, and shall be accompanied by a plan showing the position of the tract in its relation to some prominent topographical feature or other known point, such plan to contain sufficient data to admit of the location being shown definitely on the records of the Department:

(d.) The locator shall post a written or printed notice on a conspicuous part of the location applied for, setting out his intention to apply within thirty days from the date of such notice for a lease of the quarrying rights under the said location:

(e.) The application shall be accompanied by evidence, supported by the affidavit of the locator in due form, to show that the above requirements of the regulations have been fully complied with.

8. Where two or more persons lay claim to the same location, or to portions of the same locations, the right to acquire a lease shall be in him who can prove to the satisfaction of the Minister that he was the first to take possession of the tract in dispute by demarcation in the manner prescribed in these regulations, and that he made application for a lease thereof within the specified time.

9. As soon as the survey of a township has been confirmed, all quarrying leaseholds embracing any portion of such township so surveyed and confirmed shall, if the Minister so directs, be made to conform to the Dominion lands system of survey by the substitution of a new lease describing by legal subdivisions of sections, or regular portions of legal subdivisions, as nearly as may be, the tract embraced in the leasehold in so far as the township so surveyed is concerned.

The balance of the leasehold, which may be still in unsurveyed territory, shall continue to be

described as in the lease originally issued until such portion is included in a confirmed survey.

10. As soon as the survey of a township has been confirmed all quarrying leaseholds embracing any portion of the township so surveyed and confirmed shall be subject to the withdrawal forthwith from the lease, without compensation to the lessees, of any portion which, in accordance with such confirmed survey, are found to be the property of the Hudson's Bay Company:

Provided, however, that upon such withdrawal being made from any location in good standing, the rental paid on the land so withdrawn, in whole or in part may, in the discretion of the Minister, be refunded to the lessee.

11. The lessee shall commence active operations on his leasehold within one year from the date upon which he may be notified by the Minister of the Interior to do so, and shall quarry out or remove from such location the quantity of stone or other material covered by the lease, as the case may be, specified in the said notification. Such notification shall not be given until the expiration of at least one year from the date of the lease, and shall set out the quantity of stone or other material which the lessee is required to quarry out from such location, which quantity may be increased from time to time, upon thirty days' notice to that effect being given to the lessee, but in no case shall the maximum quantity of stone or material required to be taken out exceed five cubic yards per annum for each acre leased. In case operations are not commenced within the time specified in the notice, or if the required quantity of material is not quarried out during each year, the lease shall be subject to cancellation in the discretion of the Minister.

12. The lessee shall not assign, transfer, or sublet the rights described in his lease or any part thereof, without the consent in writing of the Minister being first had and obtained.

13. The boundaries beneath the surface of quarrying locations shall be the vertical planes or lines in which their surface boundaries lie.

14. The lease shall be in such form as may be determined by the Minister of the Interior, in accordance with the provisions of these regulations.

15. A fee of \$5 shall accompany each application for a lease, which will be refunded if the rights applied for are not available, but not otherwise.

16. The locator shall be given a period of thirty days from the date of the receipt of his application within which the pay to the Agent of Dominion Lands the full amount of the rental for the first year of the term of the lease at the rate of one dollar (\$1) per acre, and upon the receipt of such rental, if the application is granted, the lease shall be issued and shall bear date from the day upon which the application was received by the Agent. If the rental is not paid within the time specified the application shall absolutely lapse and the right applied for shall become available for other disposition.

17. If, during the term of the lease, the lessee shall fail to pay the rental in advance for each subsequent year, at the rate of one dollar (\$1) an acre per annum, within thirty days after the date upon which the same became due the lease shall be subject to cancellation in the discretion of the Minister and to the immediate forfeiture of all rights granted thereunder.

18. A person operating a quarrying location shall furnish the Agent of Dominion Lands for the district in which the location is situated with sworn returns every six months, or at such times as the Minister may direct, accounting for the full quantity of merchantable stone or other material quarried out or removed from the location.

19. Every lessee of quarrying rights which are not being operated shall furnish the Agent of Dominion Lands with a sworn statement to that effect at least once in each year.

20. In case the surface rights of a quarrying location are covered by a timber licence, grazing or petroleum lease, mining claim or other form of terminable grant which does not contemplate the issue of patent, the lease shall not authorize

entry thereon except the permission of the Minister is first had and obtained, and such permission shall be given subject to such conditions for the protection of the rights of such lessee or licensee as it may be considered necessary to impose.

21. In case the mineral rights in any land comprised within a quarrying location are or have been disposed of by the Crown, and the lessee of such mineral rights cannot make any arrangement with the lessee of the quarrying location, or his agent, or the occupant thereof, for entry upon the location, or for the acquisition of such portion of the surface rights as may be necessary for the efficient and economical operation of such mineral rights, he may apply to the Minister for permission to submit the matter in dispute to arbitration. Upon receiving such permission in writing, it shall be lawful for the lessee of the mineral rights to give notice to the lessee of the quarrying location, or his agent, or the occupant, to appoint an arbitrator to act with another arbitrator named by the lessee of the mineral rights in order to determine what portion of the surface rights the latter may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the exact position thereof, and the amount of compensation to which the lessee of the quarrying location, owner, or occupant shall be entitled.

The notice mentioned in this section shall be according to a form to be obtained upon application to the Agent of Dominion Lands for the district in which the lands in question lie, and shall, when practicable, be personally served on such lessee of the quarrying location or his agent, if known, or occupant, and after reasonable efforts have been made to effect personal service without success, then such notice shall be served by leaving it at or sending it by registered mail to the last-known place of abode of the lessee of the quarrying location, agent, or occupant, and by posting a copy in the office of the Agent of Dominion Lands for the district in which the land in question is situated. Such notice shall be served if the lessee of the quarrying location or his agent resides in the district in which the land is situated ten days; if out of the district and if in the province or territory, twenty days; and if out of the province or territory, thirty days before the expiration of the time limited in such notice. If, within thirty days from the date of the service of such notice, the lessee of the quarrying location, or his agent or occupant, refuses or declines to appoint an arbitrator, or when for any reason no arbitrator is so appointed in the time limited therefor in the notice provided for by this section, the Agent of Dominion Lands for the district in which the lands in question lie shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of such lessee of the quarrying location, his agent or occupant, or that such lessee, agent, or occupant wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service, and that the notice was left at the last place of abode of such lessee, agent, or occupant, appoint an arbitrator on his behalf.

22. In case the two arbitrators cannot agree upon the award to be made they may, within a period of ten days from the date of the appointment of the second arbitrator, select a third arbitrator, and when such two arbitrators cannot agree upon a third arbitrator, the Agent of Dominion Lands for the district in which the land in question is situated shall forthwith select such third arbitrator.

23. All the arbitrators appointed under the authority of these regulations shall be sworn before a Justice of the Peace to the impartial discharge of the duties assigned to them, and after due consideration of the rights and needs of both lessees, they shall decide as to the particular portion of the surface rights which the lessee of the mineral rights may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the area thereof, and the amount of compensation therefor to which the lessee of the quarrying location or occupant shall be entitled.

21. In making such valuation, the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals therein or thereunder.

25. The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the land is situated within twenty days from the date of the appointment of the last arbitrator. Upon the order of the Minister the award of the arbitrators shall be immediately carried into effect.

26. The arbitrators shall be entitled to be paid a per diem allowance of \$5, together with their necessary travelling and living expenses, while engaged in the arbitration, and the cost of such arbitration shall be borne by the lessee of the mineral rights. oc12

2. All permits shall expire on the 30th day of November in each year.

3. Not more than one permit shall be issued to an applicant in one year, unless the rights already granted such applicant have been fully exhausted.

4. 9. The permittee shall keep the Crown indemnified against all actions, claims, and demands that may be lawfully brought by reason of anything done by the lessee in the exercise or purported exercise of the rights and liberties granted under the permit.

HIS EXCELLENCY IN COUNCIL.

WHEREAS, in the third paragraph of the Order in Council of the 12th August, 1911 (P. C. AT THE GOVERNMENT HOUSE AT
OTTAWA.

Friday, the 29th day of September, 1911.

PRESENT:

HIS EXCELLENCY IN COUNCIL.

THE Minister of the Interior submits, under date 27th September, 1911, that on the 27th April, 1910, an application was made to the Department of the Interior by the Brittingham & Young Company, Limited, lumber merchants, of New Westminster, B. C., for a grant of 33.5 acres of Dominion land contiguous to the Indian river, in Sections 8 and 17, Township 7, Range 7, west of the 7th Meridian, required in connection with certain proposed improvements in the Indian river for logging purposes, which improvements have been properly authorized by the Province of British Columbia.

The Minister further submits that the land applied for is contained within Timber Berth No. 510, held under lease from the Department of the Interior by the Brittingham & Young Company, Limited;

That the company represents that the use of the Dominion land applied for is essential to the successful completion of their extensive lumber operations on the Indian river;

That the matter was subsequently reported upon, after personal inspection on the ground, by an engineer of the Department of the Interior, who recommended that the company be required to submit a plan by a Dominion Land Surveyor, to be approved by the Surveyor-General, showing the location of the proposed improvements and the exact areas of Dominion land required, in order that a lease of the necessary Dominion land could be granted; also that a lease be granted at a nominal rental per annum subject to continuous beneficial use for the purpose applied for;

That the company has caused extensive surveys to be made by a Dominion Land Surveyor, under the Surveyor-General's instructions, who has recently approved of a plan showing the exact areas required.

The Minister, therefore, recommends that he be authorized to grant the Brittingham & Young Company, Limited, of New Westminster, B. C., a lease of the 33.5 acres of Dominion land applied for, contiguous to the Indian river, in Sections 8 and 17, Township 7, Range 7, west of the 7th Meridian, on such terms and conditions as he may consider in the public interest and in such form as may be approved by the Department of Justice.

The committee submit the same for approval.
